## ENTERPRISE PROFILE

Wenzhou Guipai Electric Co., Ltd started its activities in the field of electrical goods in 1995. It manufactures wall switches, wall sockets, adapters, extension sockets, plugs and... in an area of 61,500 m<sup>2</sup> with around 900 workers in Wenzhou using modern automation machines and the latest technologies. With our former company named Wenzhou Desheng Mould Factory, we provide OEM and ODM service here.

Successfully passed the ISO system certification in 2014, and applied for a number of national and international electrical industry certification. Most of them are from the world's leading authorized organization SGS, Intertek, BV, DEKRA, TUV, PNT, obtained CCC, CE, NF, SQM, SIRIM, SNI and other certificates. We OEM strategic partnerships, such as Siemens, Adeo (Lexman), Delixi, etc.

Based on expert of mould design, manufacturer and sale together background, we are good at re-designing and custom-madding according to the samples from our customers. We also develop high quality, reliable products of special design using its own Research& Development potential and its own mould factory to make you unique and keep secrets.

Quality control with decades of manufacturer experience, we deeply understand that quality is the life blood of an enterprise. So the products are strictly controlled from raw materials to finished products with various testing instruments in every manufacturing step in the laboratory.

Wenzhou Guipai Electric Co., Ltd is manufacturing products for China and international markets with the slogan of "Our products, your success" and will strengthen its present leading position in the field of electrical products. Wenzhou Guipai Electric Co., Ltd tries to successfully represent China with its high quality and modern design.
