## ABOUT XIAMEN CHINARTS

Xiamen Chinarts was established in 1997, specialises in the design and manufacture of high quality resin home decorations, gifts, trophies and awards.

The business has been built on honesty, integrity, quality, competitively priced products and excellent service.

The commitment and constant satisfaction of our customers has helped us grow over the years, Xiamen Chinarts has an accumulative total investment of 60 million RMB and has now two factories, one is in Xiamen, another is located in Dehua.

Xiamen Chinarts exports to over 80 countries throughout the World. Our customers keep coming back because of the satisfaction of our superior products, impeccable service and reputation. Once customers start co-operation with us, most of them will become our lasting partners and friends.

Our customer base is mostly from referrals and repeat business, most of customers have worked with us over 10 years, we are more than happy to provide trade references, should you require, from existing customers of ours, please feel free to ask.

## PRODUCTION

Xiamen Chinarts clearly recognises that the success of our company is largely based on the quality of the products produced. With this in mind, Xiamen Chinarts has installed the very latest in manufacturing, equipment and management systems. Quality control, the efficient production and processing of customer orders are a priority at Xiamen Chinarts and are constantly under review by our management team.

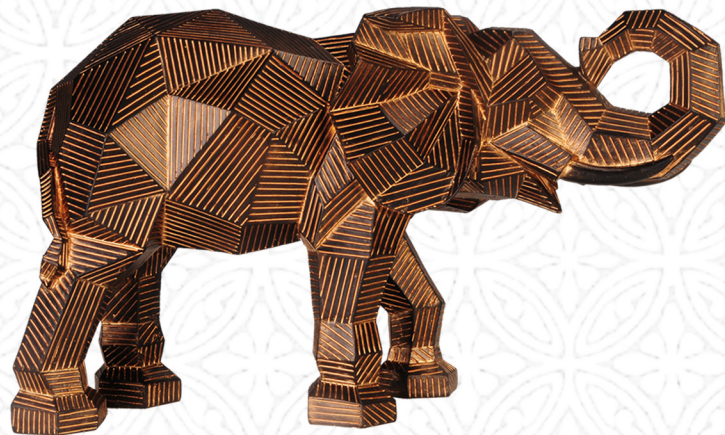

### PRODUCTION PROCESS

## RESEARCH AND DEVELOPMENT

Xiamen Chinarts has a dedicated team of artists and sculptors whose imagination and talent transform an idea into reality. All of our products are beautifully designed and finished with perfect workmanship to maximize customer satisfaction which are to meet customers' special and individual requirements. Our products are unique and brilliant and will stand the test of time and are sure to be treasured for many years to come.

## ENVIRONMENTAL PROTECTION

Along with the rapid development of China, the Chinese government attaches much more importance to the environmental protection and takes strong action against the pollution, many factories which didn't comply with the regulations of environmental protection were shut down, we always follow the requirements of the government and kept investing a lot to equip and update the latest facilities, this helps to eliminate the impact on the environment and is an important guarantee of the production and delivery of customers' orders.

## STAFF

China is now becoming an aging society, the labor market now is more competitive than ever, it is absolutely essential that Xiamen Chinarts attracts the best workers. Xiamen Chinarts has invested heavily in creating the right working environment. Clean, modern, amenities including entertainment and sports facilities contribute to the overall wellbeing of our workers and build a positive company attitude which reflects in the quality of our products.
