Coffee decorations

For 10 years already Koza Dereza Manufacture is well-known as a creator of textile collections which have not only festive look of hand-painted scenes but the catching smell of cacao. The natural smell and brown colour make the decorations special. They look and smell like tasty cookies.

Petrykivka painting

Famous Ukrainian painting style
Petrykivka was used many years
ago to decorate white walls in the
house. Later fascinating patterns
with flowers and birds appeared
on wooden objects.

Koza Dereza artists created textile
ornaments with hand-painted
Petrykivka flowers on them.

Buckwheat husk

When producing decorations, we always try to use ecological materials. In case with the collection of "Ram's Family" we used buckwheat husk to stuff them. The specific tactile sensation and cracking noise are pleasant for both children and adults. Each one is covered with cacao and vanilla solution and hand-painted with acrylic.
