Codice prodotto: 94038406380

Categoria: Autobus

Data revisione: 01/08/2018

Tipo prodotto: AM

Costruttore: SCANIA

Rif. Originale: 488275

Posizione: Rear

Dati tecnici

Aperto: 542

Chiuso: 342

X Ø: 58

Y Ø: 72

L1: pin

D1: pin

L2: pin

D2: pin

Descrizione: OMNICITY

Note tecniche: -

MSA: 38/820207R0

DIESEL TECHNIC: 125846

SABO: -

F & S: 131190

KONI: 902719

WABCO: -

ALKO: 940189

SEBAC: -

PARTEX: -

MONROE: B1311

2020-2023 Investments:

- Massive increase in production capacity and renewal of premises and offices
- Increase in the productive, technical and sales working force
- Widening and re-organization of the warehouses for the final products
- Re-organization of the warehouses for the incoming materials and application of the barcode as registration system
- Expansion of the products list and re-edit of the catalogues for both lines of industrial vehicles and passenger cars production
- Expansion of the products list and re-edit of the catalogue for line of railways production

• Future goals:

To combine the historic Way Assauto brand and its production know how, with the solidity of the Chinese Cijan Group into a global perspective, guaranteeing both the excellence of the Italian products and the efficiency and a higher attention to quality and to market needs.
