ABOUT COMPANY

ABOUT

DaTo is one of the world's leading manufacturers and suppliers of professional diagnostic tools, equipment's and accessories in the automotive aftermarket. Since our Inception, we have been committed to creating maximum long-term value to customers worldwide by providing quality-assured, easy-to-use, cost-effective and innovative products.

The principles and standards that DaTo follows has made our Company one of the most reputed and trusted Organization in UAE. But what we consider as our biggest achievement is that we have been able to satisfy all our clients with precision effectively and efficiently. It's their valuable trust that has helped us grow over the years.

VISION

Through remarkable leadership of the founder, DaTo has travelled places, creating opportunities where none existed. Celebrating two decade long fruitful years of existence, we stand by our vision of success through commitment, renderence and credibility.

We under that the TEAM is our strength that translates the vision to reality. The strategic plans laid down before us for the coming years will enhance us face the future with confidence

CREDIBILITY

DaTo as a company has always kept the interest of it. Customer's needs at forefront. Confidently, always on the path of improving the products with innovation, we have kept the market requirements as the focal point work towards it rather than following foot prints.

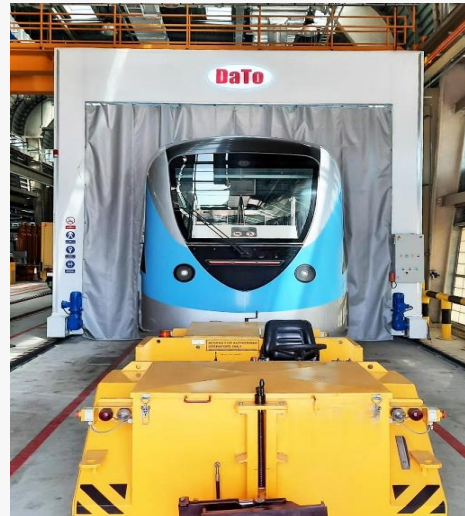

ISO 9001:2015 Certificate Number : 22ACM15572Q
