

ACCESS CONTROL **SIMPLIFIED.**

WHY ALTRONIX?

- 40 years of cutting-edge power and data transmission products.
- Providing security, access, fire, and surveillance solutions.
- Award winning customer service and technical support.
- Dedicated sales team to assist in design and layout.
- Lifetime Warranty – Altronix power supplies/sub-assemblies.
- Altronix products are NDAA & TAA compliant.
- Global Headquarters in Brooklyn, NY – U.S.A.

Altronix Trove™ Plus Access & Power Integration Solutions combine pre-wired Altronix power distribution with the leading controller brands to provide a reliable and scalable access system. Streamline deployments with myriad power options, saving valuable time and labor.

YOUR LEADER IN **ACCESS & POWER INTEGRATION**

Altronix Trove™ Plus simplifies board layout and wire management, while reducing installation and labor costs - increasing profits and ROI.

Customize your access control with Trove™.

ALTRONIX PRE-WIRED ACCESS & POWER INTEGRATION

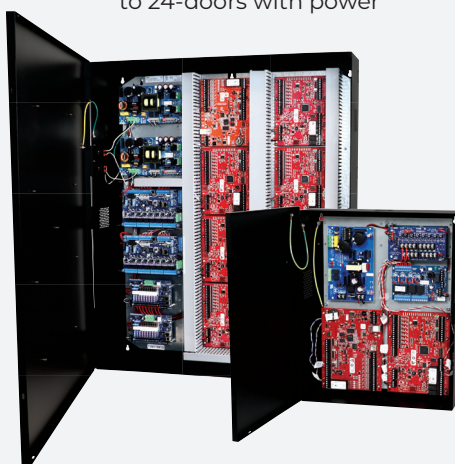

- Trove Plus Solutions are available in different sizes and configurations to meet your project scope.
- Pre-configured kits include power distribution, wire assemblies, along with finger duct or wire magnet options.
- Provides a single point of service and maintenance, saving valuable wall space.
- Removable backplanes allow you to configure and test prior to on-site installation.
- Optional LINQ™ Networked Power Management Technology allows you to remotely monitor, control and report power diagnostics, streamlining service and maintenance operations by leveraging the network.
